

CFX Speaker Bulletin #3

Thank you for being a presenter at CFX 2022!

We're so glad you're joining us this year as one of our esteemed presenters at CFX 2022! Thank you for choosing to help our attendees learn more and develop their skills to help their ministries grow!

These Speaker Bulletins are our way of sharing the most current information you need to have as we get closer to the event.

Check out the Speaker Hub for updates and information on being a Speaker at CFX 2022!

Speaker Agreement Forms Due

If you're doing a breakout session or CFX Talk, you should have received a Speaker Agreement Form. Please take a few moments to fill that out and send it back to me as soon as you can if you haven't already done so. Thank you!

Registration Updates

Each of you should have received an email confirmation with your badge information, letting you know you've been registered for CFX 2022. Please take a few moments and confirm the information in the system is correct (I didn't always have your full info, so I left a lot of blanks for some of you!).

If you're an Exhibitor, you may or may not be registered yet. You'll need to confirm with your company's point person to find out if you need to get registered as Booth Staff. This is important to ensure you can access your booth during non-Expo hours.

If you have any questions, please don't hesitate to ask!

Can you believe we're only two months away from the conference? I'm struggling to believe how quickly time is passing, but I'll take it after how slowly things moved in 2020!

If you haven't booked your hotel yet, make sure you do so soon! Rooms are filling up quickly in our block of [discounted hotel options](#).

May God continue to bless each of you as you prepare to join us in Dallas!

Blessings,
Stephanie Lippi
